for the year ended 30 June 2010

*"Of all the pieces of art created, it is the ones who have made a difference in the lives of others that will be remembered forever."*

At Bank Windhoek, we believe banking is about changing the lives of others for the better. As of September 2009, Bank Windhoek has become the widest distributed bank across the whole of Namibia with 50 retail branches and agencies and 86 ATMs.\*

As a truly Namibian Bank, we are always looking for opportunities to expand and better our services in order to transform and strengthen the economy of Namibia and to reach more and more Namibians every day, making a difference everywhere we go.
